“ *Helpless*

*We are born to this world
Helpless
And Mother was there
To love me
To nurture me
To guide me*

*And as I grew
To adulthood*

*Independent
Strong*

*But when I was troubled
And there seemed no hope*

Helpless

*You were there
To help me*

*And in your last days
The final struggle*

*Your only care
Was for me
To help Me*

*And I was helpless
Helpless to help you
Helpless to keep you*

Selfishly

From God's plan

Helpless

*A Mother's love
The strongest of all
Everlasting*

With all of my love Mom

May God bless you always
