“ *Stacey you were one of my first close friends after moving to Charlotte many many years ago. Our girls were so young and we all had such fun times hanging out together , you, me, Caroline, Catherine, and little baby Martha Claire with Gina and Emma. I'm sad life and circumstances separated us and now even more heartbroken to hear you are no longer here. I'm so grateful to have known you and even more grateful to see you were living in a place that brought you such happiness peace and joy alongside your beautiful daughter Peyton. May you be guarding over all of us here trying to make our way one day to paradise with you❤️ I love you!!*
