“ *The Alligator Adventure Family is very saddened to learn that Mr. Canter has passed away. We were praying for his speedy recovery and were hoping that he would return soon to visit the park. We understand he was a wonderful man of Christian Faith and had a long career with the National Park Service. We are very proud that he wanted to have a day of enjoyment with us this past Fall and are truly sorry for him and his Family that he was injured before being able to start his visit.*

Please know that we continue to pray for the Canter Family and that the Good Lord may bring comfort during this difficult time of mourning.

“ *Cindy, I didn't know your dad personally, but seeing him at church every Sunday let me know he was a caring and loving man. Your testimony of his greatness is what blessed me as well. I am truly sorry for your loss from one daughter of the greatest man who ever lived to another.*
