“ Stan was tall, thin, and smiling all the time. We were not "Buds", but he was always polite and well mannered toward me. Nice Guy! May his family be comforted by knowing how well thought of Stan is. So sorry for your loss....

“ Condolences to Stan's wife and family. Lost track of Stan after NKCHS, but got a chance to chat monthly on the Zoom calls - he never lost his wry sense of humor or quiet laugh.

“ *I worked for Stan at Premier Graphics from the beginning until he retired. He was a friend as much as an employer and one of the nicest people I’ve ever known. He was very generous towards me and my family. Our prayers are with him and his family.*

“ *Haven’t been in touch with Stan for years, but back in high school he was a great guy. Never took himself too seriously as teenagers tend to do and was always friendly. I know life’s a bit sadder since his star’s dimmed. Praying for his family.*
