“ Was so sorry to hear of Mr. Telga's passing I had him for a teacher back in 1975 -1976 when BOCES was at the old Harvester Ave building what a wonderful man and teacher he was , he always made everything fun and always had us all laughing. After graduating I would stop in at Batavia Downs just to say hello and he would always give me a tip on the horses usually it was not to bet them , he was truly just a great human being !

“ *It was with sadness that I heard that Buddy is gone. He was a classmate in Albion, and Buddy and my husband, Joe (Stanley) were friends from their early days at St. Mary's school and church all through high school. Buddy was a lot of fun, with a good sense of humor and a good athlete, too. Please accept my condolences on your loss. May your faith and good memories bear you through this very difficult time.*

“ My heart felt sadness at this time.,my uncle buddy was the best. He help me a lot when my father was gravely ill.,and again when I was making a commitment to enter the service,he suggested the air force and later when my mother was very sick he help find a place she would be at home. I can not be there for a finale farwell but I know our Lord will receive him with open arms.
