“ I had the privilege of working with Stan for 30 + years. Lots of stories and fond memories. He was a dear friend, one of those people you never forget. He treasured his family, Joan and his boys and grandkids. He was a true professional buyer and well respected. I talked to him about 10 days before he passed and was upbeat about his recent problems. In our profession, you run across a thousand people and few had the impact on me that Stan did. Rest in peace, you are missed.

“ *Very proud to say that Stan was a dear friend and fishing buddy for 30+ years. We were part of a group that did one or two trips annually to Lake Erie for walleye and perch. Four trips in total to Alaska for salmon and halibut. For as long as I am able to still wet a line I know I'll hear Stan's voice in my ear telling me to "catch the big one for me." I'll certainly be trying to do just that my friend! RIP*

“ *I had the pleasure of working with Stan during my time at Kroger. He was always the professional but, more important was that ever-present smile! He was a joy and I am so pleased that he found comfort as a "beach bum." May he rest in a well deserved peace.*
