“ Dear Barb and family, I am so very sorry to hear about Butch. Please know that my thoughts and prayers are with you and the children. If you need to talk, ask questions etc. don't hesitate to email/call me. PLEASE!!! Don't make any big decisions for a year. I've made all the mistakes you can think of, and they were all made within the first year. You think you are fine, but you are still in shock/transition.
