“ *Lisa, we are sorry for your loss, a mother is not a loss we have had to endure yet. Merlin and I both have lost a father and know how hard it is with that. Any loss of a loved one is hard, but a mother has a special place with everyone. Just know we have been thinking of you and you and your family are in our prayers.*

Dear Family of this beautiful woman, you have my sincere regards. I was young when I knew this lady well. She always had a smile on her face and warmth in her voice. I know you will truly miss her. I have no doubt that she is in heaven and I hope one day soon you will join her there in that grand reunion. As a much older woman now, I still recall her kindness and believe that helped to shape my life to what it is today. God be with you all. Jeanne (Causey) Edwards, Conway, South Carolina.
