“ *My friend Stephanie.. loved The Beatles, loved Monty Python, loved Bon Jovi, Bugs Bunny, the Squidbillies, Glen Campbell, all of these things that made her laugh and smile and Happy! I will miss her smile. I would give anything to hear her laugh again. Her kind heart. She drove from Myrtle Beach to Charleston to be with me when my mom died in 2013. She was sweet, endearing and loving. She used to say I was the little sister she never had. I would give anything to have my big sister back now. We had our differences but have always had love. I will never forget the amazing, sweet, kind beautiful soul you are. I miss you my beautiful friend! You loved your boys and your family with everything you had. I love you so much. Part of my heart is gone. Rest my dear friend. Heaven is a much better place with you there!*

“ My deepest sympathies goes to all Stephanie's family. I meet Stephanie many years ago when she came to tiree for the summer. What a fun summer we had! We then reconnected via Facebook a couple of years ago and spent many hours messaging each other. Stephanie kept trying to get me over for a visit and it's my regret that this didn't happen. She was one funny, caring, clever lady who will be missed by many ❤️ sleep tight Stephanie xx

“ Firstly can I offer my sincere, heartfelt condolences to Stephs family and friends, Steph,
We met decades ago
Beauty and youth about feet
We felt wed rule the world
Years passed, we lost touch but then
Through Our Video Chats
It became clear
Our love was different, but still real
You were more than a Special friend
Our calls ended " I love you"
Now as you close your eyes
You know I will always think of you
And when I find you
We will lay down " On a bed of Roses
Till then, I will keep you
"In these Arms"

“ *I would like to offer my deepest sympathy to Micki, John, Jack & Alex and and all of Stephanie's extended family. I hope that you find comfort in knowing that Stephanie was well thought of and liked and will be very sadly missed.*

I only really got to know Stephanie in the past eight months over FB and we had a few personal chats on messenger. She had a kind heart and seemed to be a very caring person.

I loved her daily humorous posts which often had me laughing to myself. I especially loved the way she looked on the bright side of life in most situations! Her and the "Mol" were a formidable duo and it was clear that her two boys, her family and her dog, all meant the World to her. Gone too soon.

RIP Stephanie ❤️

“ *In loving memory of a lovely lady. We had many interesting chats over the net in the past few years and I will miss them. My first encounter with Steph was in Metuchen at her Mom and Dads and I then returned the following year with my friends from Tiree, Scotland to attend her wedding to Brian. This was a fantastic occasion with a beautiful bride and will live in my memory forever. I never met her extended family but she spoke lovingly of them at all times. My thoughts are especially with Micki and John, I know this will be a terrible shock to them. They brought up a lovely daughter who was courageous and kind in equal measure. I will miss you Stephanie. Rest In Peace.*
