“ Denise and family, I was extremely saddened to hear of the lose of Micky. The last time I saw him was at Mother's funeral in 1992. I heard at Daddy's funeral in March that he was awaiting a lung transplant and had intentions of contacting him. Now he is gone. I came across a cute picture of him at about 18 months and have made you a card I will mail. My heartfelt sympathy goes out to all the family. Micky was a kind, loving, gentle man and he will be missed by so many.##imported-begin##Judy Nusz Mace##imported-end##
