“ My sincere condolences to David (Buzz) and Tina. I am sure my two teenagers at the time were fans of Steve. May he Rest in Peace. He had a God-given talent, knew it, and shared it with all of us.

“ Steve, or Rando as most of us knew him, was thee best Program Director I ever worked with. I also worked with him at WYAK, BIG YAK, and his white was amazing. RIP my ole friend. I may just have to have a "delicious gin and tonic" one of these days soon and remember you and Kelly's bar! You were an original!

That was supposed to read "Rando" but it changed it on me!

Damn Rando. So many great memories from our time together at WYAK. And at the Tail. I salute you with a great big gin and tonic

“ Buzz and Tina, while a great voice has been silenced, we will continue to tell the stories so no one forgets Uncle Stevie! God go with you, Bob Scarborough

Rando, many the time I would hide your glasses, so you could not wake up and try to go home. Probably entirely to many really good times. To many times bar Tabs were paid, by counting Lime slices. If you had a question about music, song or group and Rando or Giant Jeff could not answer it, you were out of luck and much to my sorry, both are gone. And I am not feeling real good myself. "Mr. E"
