“ Steve’s friendship with us will always be remembered. He was a step-up kinda guy who was there to help and support whenever needed. We’re gonna miss Steve’s corned beef and cabbage cooking for St Patrick’s and how he would clean and collect all our dishes at our table on a cruise! We’re thinking of you Jan, Steve and Family.

“ My brother Steve...always the gentle giant. From the time he was born he was always bigger than life. There are memories of all of us growing up in a family of 11...what has occurred to me at the realization of his death is that Steve and I never had an argument. He was never mean or rude or even an obnoxious little brother. He was just kind, gentle polite Steve. I'm so very sad he has left this world so soon. But his presence for 68 years was just a warm comfort, and his memory will always warm my heart....Love you little brother. Karen

“ Big Steve left us with so many great memories the parties at the Club House, Grub Club, the Duck Races at the pool we always had a great time, laughed till we cried we could be around the dinner table or just out on the back porch we always had fun. Whenever I see a red solo cup I'll think of Big Steve. Jan, Stephen and Ashley remember the good times there were many.

*Love from your friends, Sharon and Tom*

“ So sorry for your loss. Steve was a great friend to Santo and I. He was one of the first people we met in Myrtle Trace ( at the pool, of course).
