“Wow. I had lost touch with the Boggesses many years ago, but grew up with Steve as a coach, mentor and second father. His laugh could fill up a room, and the way he looked at you when you were speaking, you knew he was listening and invested. I am saddened to just now learn of his passing. His legacy will live on in so many of us that he helped craft into young men (now, older men, lol). Love you Steve!
