“ Dear Julie, our family was so saddened to hear about Steve’s passing. All of you (Steve, Julie, Melody& Stephen) hold a very special place in our hearts. We were new to Salisbury and your friendship meant so much to all of us. Mary Elaine always said that Steve reminded her so much of her own dad. Time and distance keep us apart but one day we will all be together. May God’s Grace & peace surround you all.

Benny, Steve had some history with you! He enjoyed telling me some(only some) of your fun times. He always looked up to you and was glad to call you a friend.

We are very sad but we had it all during his lifetime. I'm just thankful for all the good times and all the wonderful memories.

A smile came on my face when I saw your two names. Steve love music and thought you were one of the best. We talked often about you two wondering what you were up to.

“ Julie, Melody and Stephen,
We were devastated to hear about the passing of Steve. There are no words to explain how sorry and sad we are. Our girls talk about Mr. and Mrs. Davis all of the time. They miss the cookies, hugs and smiles. I know Jonathan will miss his sports and business talks with Steve and I will always miss our talks, smiles and leftovers. We wish we could do something to help the hurt and we pray for comfort. ❤️

“ Julie I was heartbroken to hear about Steve.
You and your family have been in my heart and thoughts daily. Both you and Steve made my time at the villa even more special. I looked forward to coming off the beach with the pups and being greeted by you guys. I knew you both for such a short period of time but you made such a positive impression on me that I felt I had known you much longer than just a couple of months.
My deepest sympathy to you and your family
Sincerely

JU

Thank you for your kind words. Steve and I enjoyed talking to you and seeing those beautiful, Russian Wolfhounds. They were breath-taking and so very big. I don't think I have ever seen one!

It was so nice to meet you and it did seem like we had known each other much longer. For so long we were the only ones here so it was especially nice to see you, Gabriela and her brother.

We couldn't believe that Steve caught Covid. It was so sad. I am glad that Steve and I met you. We enjoyed the time together and our waves as you passed by.

Thank you for your thoughts and nice words. Keep smiling.

What a nice thing to say Jimmy! You were always one of my favorites. When I first met Steve it was impossible to I believe That he knew you and thought highly of you too! Steve was so healthy. Our hearts are broken. We really thought everyday that he would get well. It didn't happen and Covid 19 did not stop until it attacked every organ of his body. He was so careful but that sneaky, cruel virus does not discriminate and it destroyed him. We have no idea where he got it. I tested positive along with him and had absolutely no symptoms. Thank you for your prayers. We will need them. 🥺

“ I am just so heartbroken, we all are of Steve being gone. I have always enjoyed talking with him with his bright smile. His and Julie’s sweet presence has been a blessing to have here close to us. He was so sweet to my kids. Xander and I had just spoken with him right before this, it’s almost too hard to believe. We will miss him and just knowing that he’s our neighbor, so very much. Our deepest condolences to his beautiful, loving wife Julie, who was ever by his side. And to his family, I’m so sorry for your loss. I will pray for you all each day.

Andy, I'll never forget that torrential downpour at the wedding reception in your back yard. What a memory for you all!

Steve and you were good friends and I remember golf tournaments and golf. He really enjoyed playing golf with you. It's sad how once he moved we just never got back that way. I think he did see you you a couple times but it just wasn't the same as it once was. He never forgot those good times and his good friend, Andy!.

We are deeply saddened but know he is much better now. Really glad to hear from you. Take care.

“ *My deepest condolences to the family. We were neighbors with Steve when I was a kid and I remember him as being super nice. I was about 4 years younger than he was, but he never treated me like a kid or looked down on me because of my age. Tommy and I were closer in age and were good friends as well. I haven't seen Steve since the early 70's but it still hit me hard when I heard the news. He made a great impact on my life the way he treated people. I think back of all the laughs, all the pranks, all the trouble that you tried to get my husband in!!??, the wild things you two did, and the fun you guys had that I NEVER found out! He loved you as one of his longest friends. Of all his friends, most of his stories were of you. And right now, a million of them are popping in my mind making me laugh out loud! Even though you guys had your ups and down, he never stopped loving you. Both of you were just so darn stubborn. Friends forever!! No regrets.

I have known Steve for too many years to remember. We first met when Steve joined Bridgestone back in the late 80's early 90's. We kept in touch from that time on and I looked forward to seeing him at industry trucking events and trade shows. He was a great guy and always had a smile on his face. I noticed early on that Steve had a remarkable ability to make people smile and laugh. He made friends wherever he went and. of course, he was an excellent golfer. Very sorry to hear about the loss.
