“ I met Dorothy 35 years ago. I remember taking her to Groton to pick him up from the Navy Base. The concerts...ZZ Top was my favorite, the Yatzee games on Queen St and all the fun we had....Still hard to believe all this. It's heartbreaking to say the least!!

“ *I still can't believe it, and I never will. Life is so cruel and unfair at times to the nicest of people....it makes me question everything. I can't help but get a little angry at times. This shouldn't have happened. ...not this soon anyway. Prayers to family, friends, and anyone who was lucky enough to know Steve. He had a heart of gold. I'll never forget him, or anything he did for me. Please pray for his beautiful wife, Dorothy. ♡*
