Linda,

We are so sorry and shocked to learn of Steve's passing. I so enjoyed working with Steve and the good times we had on the golf course. I know he loved his family dearly and his loss is tremendous but do know he was a great man and had a positive influence on so many.

Prayers are with you,

“ *Most every Sunday morning, Steve was at Belin Memorial United Methodist Church, Murrells Inlet. He loved to sit in the back right corner of the sanctuary as I looked out. We'd always spoke and shook hands. Usually, he had something to tease me about. You know, Steve was most unusual in a way. He never complained to me. He never wanted to tell me how to do my work. He was just always grateful! He loved his backrow pew partners. He loved to hear the Belin Choir. He was always a cheerleader. As I think about my 14 years at the senior pastor of Belin, I regret that I didn't spend more time with him. Looking back, the good people seemed to get so little of my time. Wish it had been different. However, I'm so glad I met him, He was a good guy!*
