It made me so sad to hear of Steve's passing. You must miss him dearly. It's only recently that I heard and it brought back so many memories, i.e., dances at St. Catherine's and St. Vincent's, hanging out in the park, etc.. Just a sad reminder of how quickly time passes. He's in good hands now.

“ *Steve and I worked together in the early '80s at GE in the Sheet business. He was one of the best sales guys we had in the business. Whenever we needed an order or a price increase "Stash" could go get them. He had a big impact on the Sheet business and all of us who worked with him. He taught me alot about managing the balance between our customers' and our business' success. He was a wonderful guy, always cool and had a big heart. I enjoyed reconnecting with him during his illness. Steve...we'll all miss you. Thanks for your friendship, Charlie Crew*

“ *We're all going to miss Steve. His annual golf tournament was fun and he did a great job in organizing it. We looked forward to his annual visits to us at the beach. He was good company. He and Madelon were our annual New York theatre companions. We miss them both.*

He's home now.....may Good Bless you Steve, we loved you.*
