“ It is very difficult to come up with the words to express our sorrow. Steve was a great man and I will always remember the way in which he adopted our sister and made her a part of your family. The excitement with which Cathy and Kevin looked forward to visiting South Carolina and your family was always so apparent. They really cherished their family time at home. Please know that you are in our thoughts and prayers.##imported-begin##John and Dayna Toth##imported-end##

“ Nicole, Connie, & kids, I was so very saddened to hear about Mr. Steve from Jenifer. She was shocked, as all of you were, I know. Jenifer loved Mr. Steve so, and appreciated so much his generous help to her at tax time, buying her new townhouse, and so much. Nicole, Jenifer told me that if she could have picked the "perfect" father in life, that Mr. Steve would have been her choice, and that you were so blessed to have a dad like him. I know the pain of the loss, after the shock wears off, will forever stay with you and your Mom, as well as the loss felt by the boys as they grow up and feel Mr. Steve's loss when they may need him, as you and Connie certainly will. Your family is in my heartfelt prayers, as you are Nicole. May God help to heal your broken heart through the love of family and friends that care about you all so much. “ Connie and family - Steve was at one time a co-worker, and later became my boss for a short time at Aberdeen Proving Ground. Like others have said, Steve just had that way to make light of things, no matter what the situation was. I was deeply saddened to hear of his death and will definitely miss him. May the memories help you in your time of sorrow. My thoughts and prayers are with you.###imported-begin##Donna Bartlett###imported-end##

“ Connie and family, I am so sorry to hear of Steve's passing. I don't really know where to start. But if it wasn't for Mr. Steve Majka I would not be where I am today in my career. He took a chance on me back in 1991 when I was a computer operator and hired me as an Computer Programmer Intern. He was a superior boss and very caring person. He was so kind to me and helped me thru my dad's battle with Alzheimer and his death. I would like to share a funny story with you about Steve's sense of humor. I had worked with him for about a year and on my 1st wedding anniversary I fell down the steps in 316. When he called me that night and found out that I was ok he told me he had given me a score of 10 for form of my role down the steps but then it was reported that my shoe flew off he dropped the score to 9.5. He had a way to make you laugh. Steve will be greatly missed. May God Bless you and your family.##imported-begin##Mary Morris##imported-end##

“ To Mrs. Majka and the entire family my deepest sympathy is extended. I worked with Steve for almost ten years at the Proving Ground. He was the programmer for my Division. I often had to disturb Mrs. Majka or one of the children at UN Godly hours of the morning to have Steve return to APG because of a problem in the reports. Not once did Steve ever fail to come in from home. Steve fixed the problem stayed around to see if the outcome was successful before heading back home. We both were born in the same city and loved to talk about sports, family and hobbies. I often would run into Steve and Connie at the local Home Depot and we would all laugh because Steve and I were actually away from work. Upon retirement and moving south when he came back to APG. We would talk for hours about the new home, SC and other things. Sorry I never got to visit you at the new home you built in SC. God Bless you Steve you will be missed by many.##imported-begin##Earl D. Taylor##imported-end##

“ Steve and I were just starting a business venture together. My brother and I felt very lucky to have met Steve and to have had a chance to work with him. He endeared himself to everyone he met and I believe this was because his strength of character and goodness of heart completely pervaded his personality and was readily apparent to anyone who met him. God doesn't make many like him. He was someone that you wanted to be associated with just because he was who he was. It is extremely difficult not to be angry over his untimely and unfair passing. The only solace I can find is that I know his life was lived well and made a difference. The positive impact of his presence will remain for a long time. His strength of character and good soul can easily be seen in his family and children. I cannot begin to fathom why he was taken from us so soon. I only know that he was truly a gift to his family and friends while he was here.###imported-begin###Jonathan Watts###imported-end##
