“ Gene, I met you, Mickie, and Steve through Norma Hagaman, who also passed last year. I have very good memories of Steve. He, myself, and Norma went out several times and I really liked Steve. He was so good to Norma. I also met Granny Lively. I was very impressed by your whole family. I am very sorry for your loss and I just wanted to let you know through Norma's memory. “ I am so very saddened to hear of Steve's passing. It has been many years but he has never lost my heart. From our first meeting, trips to the beach, walk up a mountain top to sit and watch the sky, touring Jamaica and visiting the taxi's driver's home among the banana trees, Steve always had a love of adventure and the outdoors. He was trully a vey special man in my life with very wonderful memories that have lasted 30 years and will forever.###imported-begin##Alana Belch###imported-end##

“ Mr. Yarborough, I was so very saddened to hear of Steve's passing. He was a very special man who I loved deeply. All though it has been many years the time I spent with Steve and your family are some of the fondest memories of my life. Steve took me to a mountain top when we were only 20 and we sat there on a blanket and just watched birds fly by, something many people at that age would never appreciate, but Steve was always beyond his years and loved the outdoors. We would listen to music for hours and Billy Joel was one of his favorites. You took us and the entire family on a wonderful 10 day cruise and Steve and I took a taxi to a mountain top in Jamaica to the taxi's cab drivers house because he wanted to see the real Jamaica, nestled among banana trees and some of the most beautiful plants I have ever seen. I have often thought of Steve through the years and had heard he was a captain on a boat-I had thought one day I would take my family and visit him and take a trip out to sea. The years have flown by and its been almost 30 years since we were engaged but he has never lost my heart. I pray you and Dawn have some peace knowing Steve had a good life and was trully a very special man. Now he is one of God's angels!###imported-begin##Alana Belch###imported-end##
