

Steven Daniel Jensen

January 5, 1968 - May 10, 2023

Steven Daniel Jensen of Myrtle Beach, SC passed away on May 10, 2023. He was born in Staten Island NY. Our family moved to Iselin, NJ in 1969. We grew up in a small town and Steven had many friends who became lifetime friends. He played little league baseball, and as a kid loved venturing out on his bicycle with his friends exploring. Steve was a member of the First Presbyterian Church in Iselin. Graduated from JFK H.S in 1984. He loved working on cars and doing carpentry which led him to becoming a Master Carpenter of Carpenters Union Local 254. Steven loved building things and had much to be proud of. He was a foreman on many big jobs while living in Jersey before moving to Myrtle Beach, SC in 2020 where he began working with our brother Jeff at his family business The Learning Station Child Development Center. They were a great team and a great comedy act. A brotherly bond that could never be broken, you could always count on there being laughter when they were together, even more so when our oldest brother Ron got together with them. Steve loved the ocean, boating and fishing, if he could he would have lived on a boat!

Steve was a gentle giant, the baby of the family standing tall at 6'6 with a heart bigger than his stature. One could not help but love Steven with his great sense of humor and warm smile. Even all of our family pets, always went to get pets from the gentle giant. His grand niece Addison at 2 years old adored him and always asked for him.

Our Family Chain is Broken...Our hearts are heavy, our lives will never be the

same without him, he will be greatly missed by all who knew him.

He is predeceased by our parents Ron and Magda Jensen. Surviving are his 4 siblings, Ron (Cristy), Jeff (Donna), Sue-Ann(Barbara), Wendy(Bill); nieces, Jocelyn, Allison(Matt), Mary Alice, and Amelia; nephews, Jeffrey(Lauren), Jason (Stephanie), Jacob (Alicia), Joseph(Danielle), Jordan, Billy, Tommy, Michael, and Matthew; Grandnephews, Levi, Hank, Graham, Carson, Banx, Jax, Finn and Liam; Grandniece, Addison.

Steven found his last love, when he met Kellie. They were building a life together and planning getting married one day. Steven's life was moving in a great direction. He was taken too soon from all of us, but especially from the most important person in his life, his daughter Angelina. The proudest day of his life was the day she was born, his heart grew 10 times bigger. He was a dedicated Father and would have done anything for his little girl. Angelina was the light of his life, the apple of his eye, he celebrated with her her sweet 16th birthday this year. A beautiful memory for Angelina.

His job here is done, where he left off we will as a family pick up and always be there for his daughter. In Lieu of flowers we ask that if you feel you want to do something for Steven in his remembrance that you donate to Angelina. A link can be found at <https://gofund.me/31300087>

“ I grew up with Steven in our small town of Iselin. Steven was in every class of mine growing up since kindergarten. My family and his became very close when we were young and shared many memories together. We were always riding our bikes around town and through Merrill Park. We all loved hanging out together on “the bridge”. It was our family of friends that you will never forget. Such a kind, gentle soul.... may you rest in peace Steven. You are in all of our thoughts and memories. Condolences and prayers to your family.

“ I met Steven many moons ago as his big brother was my sister's ex-fiancé and then we went to school together and had mutual friends. I remember him in the hallways of high school he was a fun bubble tall kid full of life and laughter. RIP Steven.

“ Brother, I wake up every day hoping this was all a dream. I can't believe you are gone. I know you are in heaven, Matthew tells me every day, "don't cry mother, Uncle Steven is alive, he's free" He has this special connection to God. He sees his 4 grandparents, out of the blue he'll mention Aunt Mary. I believe he sees you. We love you so much and can't imagine not seeing your face, hearing your laugh, and getting a big bear hug, so give as many as you can to the one who can see you and feel your presence, he'll pass it on to all of us. xo

“ We had several meetings with Steve and he showed a great willingness to please us with what we wanted done in our home. Always there and always great work, a master he was. Our condolences to all of his family, friends and to Kellie.

“ Steven was welcomed into my family with open arms when my mom and him fell in love. He was one of a kind and lit up any room he walked into. He had a contagious laugh and a heart bigger than his stature. He loved our crew of furbabies and supported us through many obstacles. Steve was someone we could always rely on to help and to bring jokes with him. I see daily reminders of his presence in our lives. This heartache will linger for a lifetime. He will be missed heavily. -Kyrie and Ricky

“ Steve was welcomed in my home often and was considered part of our family. He helped us with lots of odd jobs. Everywhere I look in my house or yard I see something that Steve helped repair or replace. He was the example of the gentle giant that was easygoing when he was around us. I had some interesting discussions with him, especially about building things and the Myrtle Beach area that he knew years before I did. He will be missed. It is a blessing that he leaves behind a beautiful daughter Angelina to also carry his memory forward. My daughter Kellie was blessed to have him as her "significant other" for the years they shared together. My heart hurts for her and Steve's family, for a life cut short too soon! Frank

Thank you for welcoming my brother into your family. He never knew love until he met your daughter. Kellie is a strong woman and very patient. I never got to know her, but now I have a new friend and I love her. Steven definitely had a rough road traveled his whole life. Angelina was the best thing that happened to him, becoming a father gave him purpose, she was his heart, Kellie was his future, she filled his heart. We are all so devastated over losing him.

“ *It was wonderful when he came to McCormick because we would talk about coming from up north and what we liked about it. He would also tease me about my height if he saw me trying to reach for something and could not get it. He was a nice guy, a kind soul who will be greatly missed*
