“ John and family, I was so very sorry to hear of Steve's passing. I've been thinking constantly of the three of us growing up together as close neighborhood friends...the sandlot football, baseball and basketball games...plus having the good fortune to play on the same teams with Steve from 10 years old through high school. As I think of Steve, I can still hear that laugh and picture that huge smile; his personality affected everyone around him. My thoughts and memories of him and our times together will always be accompanied by a smile.

“ There are certain friendships made in high school that are remembered for a life time. Steve is one of those friends for me. Some guys are just guy guys as Steve is remembered by me. As a team mate you never had to wonder if Steve or John would be there as you could count on them as a team player. Steve's smile and wit are something all could enjoy who knew him, because it would have been impossible to have known Steve and not found many opportunities to laugh. Pat Riggs said it well, Steve's smile lite up a room. I know I had my share of laughs running around with Steve.

*John my heart goes out to you, as I know how you two felt about each other. My thoughts are with you and wish you and your loved ones the best in a difficult time.*

*Gary & Betty Studenic*

*Betty and I both always enjoyed seeing Steve when we were in town and ran into him.*

“ I was very sorry to hear of Steve's passing. He was a good friend during our days together at PHS before we were split into two schools. We had some great times with Steve, John, the Eakins brothers and Gary Studenic. I will remember those days and Steve's smile always. RIP friend.
