“ Glinda, Scott and Alex, I haven't seen you all in many years but used to cut your hair. Please accept my condolences. I always liked Steve, he had such a wry sense of humor I could relate to. I pray for God to wrap his loving arms around your family and comfort you in your grief. In your times of sadness, think of a happy memory. Sending up prayers for your family.

“ *Glinda, Scott, Alex and Family: Larry and I are so sorry to hear of Steve's illness and passing. I am sure that you take comfort that he is no longer in any pain, and that he was surrounded by you all's love and care.*

Glinda -- I always remember when we worked together, and Steve was working in Raleigh. We must have been talking about what your husband was like at one point. You told me he was like the two Blues Brothers -- together! That has come to my mind over the years many times.

You all will be in my thoughts and prayers!
