“ Noel, Chris and Todd,  
I was so sorry to read about Sue's passing. She was a very special and wonderful mother and wife. As her neighbor in year's past I adored our friendship and ability to talk frequently and share experiences. I regret that I lost track of her in the past several years. Please note that I am thinking of you all with very fond thoughts and prayers.

“ I worked with Sue at Dunes Properties on the Isle of Palms. She was such a kind person and very charming, and she was so proud of her husband and sons. I loved to listen to her tell a great story. And you know someone is one of a kind when years after moving on from a job, stories are still told about her (all good ones). She's missed and remembered.
