“ I had no idea, not even sure why I looked you up, Ill be 40 next week. We met when I was 19 or 20 I had just "moved" to myrtle from CNY on a whim. I was down on my luck as my friends had abandoned me and went to texas with all I had. You made sure I was straight, a total stranger. Met your parents and little Nevaeha and your sister. You had a huge hand in helping me recover from so many downs. I wish I could have thanked you a thousand times more before I had to leave to come back to CNY. Theres so much more praise I owe to you and youll never hear it. I pray for your family and to see your parents passed stings as well. If theres anyone that viewsd this and recalls meeting me please reach out to me on FB.
