“ I just read about Susie's passing and wanted to express my deepest sympathy to her family. We were classmates at Ossining High School and were close friends during our senior year. I will always remember her upbeat personality and beautiful smile. A particularly fond memory is when she was Glenda the Good Witch in senior year, along with our group of friends who were the the other Wizard of Oz characters for Halloween in 1974. Rest in Peace Susie.

“ I am so sorry for your loss. May the outpouring of sympathy, the kind acts of friends and strangers, as well as your memories give you comfort to help you endure the days ahead. The Bible also offers comfort. “For God is near to those broken at heart. “ Ps 34:17,18. Our Creator promises that there will soon be a time when “death will be no more.” Revelation 21:4

“ I've known Susan for many years, I was her banker. Every time she'd call me or come to the branch, I was so happy to be there to help her. She was the coolest, funniest and most beautiful woman...and I will miss her so much. I thought of her as an Earth angel...God bless her friend and family who will miss her.

“ My heart broke when I saw this in the paper today, I just couldn't believe it. Susan has been a dear customer of Dough Boys Pizza for years and over the years became a friend to me. I was so happy when she recently moved back to the area and to see her smiling face again. I wish I could be there tomorrow but cannot. Please know my thoughts and prayers are with all of her family. She was such a ray of sunshine.

“ Janet, we are so sorry that we won't be able to be with you Saturday, but you are in our thoughts and prayers. I'll never forget your parent's anniversary party, when you and Suzie were singing! She was such a beautiful lady, and so much fun. We are thankful that we were able to know Suzie. Just remember your wonderful memories of your life with her, even though it was such a short time. We love you all. Bill and Betty Jane
