“ So blessed to have Susan in my life. She is a remarkable woman who never ceased to amaze me. She always gave everything she had and never stopped giving. She touched the lives of so many including her students whom she cared so much about. I will never forget the laughter we had together and will always be thankful for the wisdom she shared with me. My prayers are with the family. May all the memories you shared through life remain forever in your heart and help you to find comfort during this difficult time.

“ Susan and I worked together for 10 years at Coastal Federal Bank.  
She made a major contribution to the bank and played a respected  
role with the Executive Committee. Always professional, she also  
showed a warm and personal side. My condolences go to her  
family.

“ I was married to Susan's brother for 39 years before his death. I  
have wonderful memories of her and the family. Her laugh was  
beautiful and so genuine and contagious. You couldn't help but love  
her. I will truly miss her but I know that she is now reunited with  
Jerry and they are celebrating. Sending love, hugs and prayers to  
the two precious daughters and three grandsons. Love you all.
