“ Susan and I were best friends from kindergarten thru senior year high school. After that, while our lives went in different directions, we periodically got together to reminisce on the good and bad times and on our current lives. She will always have a special place in my life and heart...our early life friendship impacted who we became.

So sad to learn of Susan's passing. She was such a special lady. Loved her and her personality. She will be truly missed by all who were fortunate to know her and to be a part of her life. We played many a game of kick-the-cans and drew play houses in the dirt lane between 9th and 10th Ave when we were growing up. Love and prayers to Sylvia, Bill, Le and Joey

“ Susan, "Su-Su" was a light in this world. She is the only person I ever left my child with other than grandparents, or aunt. She loved many children and they loved her. Our hearts are heavy but heaven is rejoicing. May God's love and comfort bring peace to Sylvia, Bill, Le, Heather, Ellie, Will, Joey, Diane and Janice. We love you and will be praying for you now and the days ahead. Love Ken, Beth and John Calhoun
