“ Oh how I will miss Susan’s beautiful smile. She was on the greeter team at The Abbey at Pawleys Island and she was always willing to help. Her warm and welcoming smile welcomed everyone as they came to church. God has now made her well and he probably has her on his Heavenly Greeter team welcoming souls to heaven. I pray for Fred and the family as they go through this difficult time. Susan will be missed.

Susan and I got into so much trouble in high school. She was a wonderful friend and always up for the next stunt: like throwing snow balls into cars on Main Street. She was a beautiful person inside and out. I wish God’s comfort to all her family and friends.

Susan was an amazing friend to everyone she met. We had a great time at our CHS 50 year reunion. She laughed when I told her she was the only blonde in our senior class, but at our 50 year reunion, there were a lot of us "blondes". Prayers to her loved ones.
