“ To the family of Susan. I am terribly sorry to hear of Susan's passing. I can remember as a child all of the times we shared in Ridgeway, and the great experiences that I will cherish forever. Susan was a terrific person who always had a smile and kind words for anyone around her. My prayer is for peace and comfort that can only come from our Father in a time like this. Susan is home now and heaven is a better place. Peggy, Mike, and Sally, you are all in my prayers. Jay Littleton##imported-begin##Jay Littleton##imported-end##

“ Peggy & Family, We are so saddened by the loss of your daughter Susan. She was always such an inspiration to Meridith when she was having her health problems. No matter what, I could always count on seeing Susan sitting in the choir, singing her heart out. Although it pains me deeply for you and your family that she is gone, she can now sing with the angels at the side of the Lord. May God grant you strength during this time of loss. deb bailey meridith lien##imported-begin##Deborah Bailey##imported-end##

No one who has touched another person is ever gone, but a part of that person lives on in our memory and our hearts. May God comfort you in your loss. With sympathy, Cheryl Roach

“ Mrs Collins, Sally ,Mike and family. There are no words to soothe the tragic passing of a family member. I, along with my mother, sat around yesterday and told the great stories of how we grew up on the hill, and how much of a Christian Example your family always showed to us and neighbors. We love each and everyone of you, and know that God will comfort you during this time.
