“ Dear Pait Family, I want you to know I have been praying for you all. Mrs. Pait was an incredible woman and a friend to all she met. I remember the simple moments when I was around her and they were usually filled with incredible laughter. A fine woman and friend. I regard my life as better for having had the privilege of knowing her. I regret that I could not have been with you all today for her service. I hope in the next week or two, I will be able to spend time with you all. Until then, KNOW that I love you all! Your Friend, Tim Suggs

“ I am heartbroken to see that Susan has passed away. She truly was one of the nicest people I had the privilege to meet during chemo treatments. My husband, mother and I were always happy to see her, knowing that we would have another upbeat person to talk with. She always had a hug for me and I so needed that and so did she. The last time I saw her was awhile ago and she had asked for my address, which I gave to her. I didn't hear from her, so I know, now, that she must have been too ill. I am so sorry for her family, but heaven and my life are much richer for having known her.##imported-begin##Robin Bean##imported-end##
