Sue was such an awesome person at work and at home. She and I had many of our spirited conversations work in her office. She would win, I would walk out feeling defeated. But the next day Susan had that same smile on her face witing to strat the day off like nothing ever happened and she would smile. ...boy she could smile at you like hey that was yesterday...let move on.

I will miss she smiles, her laugh, her yumminess of my food I would cooked her. In trrible sorry to jear of her passing. She made everyone around her a better person. She love everyone and the Agency lost one. Heaven gained the most special person

“ David. Kathy, Ferei and family,

It is still a shock when Patrick let me know via FB that dearest Susan had passed. I/We have so many special moments and shared memories of times spent together. You'll be receiving a card soon that summed up our thoughts -

"The only reason we feel such profound loss is because we had such a profound blessing"...Susan blessed us with her priceless gift of friendship and love. For that she has made our world a better place.

“ So many memories as former neighbors of Dave and Sue in Herndon, Va. for 18 years. Our after-work gatherings in the back yard common area with Denny and Coleen; weekends at the "cabin" at Indian Acres in Thornburg. Christmas Eve dinners. Through good times and bad. In our hearts forever.

“ David, I don't know the other members of Sue's and your family, but we thankfully had both of you in our lives. I know how much you all loved her and how much you will miss her. I can't think of the beach without thinking of walking all over Cape May, sharing a glass of wine with Sue, and going in and out of every shop and watching her light up at just the right little piece to decorate her home. I hear her voice, feel her heartfelt advice and care. We know nothing for sure, but I hope that we will all find a beach someday and be able to enjoy it together in an even better way. I hope you can feel our love.

“ Aunt Susan. I still can't believe this is real. You truly will be missed by so many. In life there are angels and you by far are one. Thank you will be missed so much. I can never say thank you enough for the love and compassion you have shown me. You pulled me out of a dark place when I lost my daughter. I hope you get to meet her now.

I will always remember how you always made everyone laugh. You always got Dave to smile and be goofy. You were his light and soul. A marriage worth looking up to by far.

It gives me peace knowing your now with your baby and smiling even more. Sharing memories with him of Dave and you.

Until we meet again. Fly high and always being signs to Dave. I am sure the family will always help him on his sad days. Those signs will too.

Love you 😍

*I hadn't been in contact with Susan for several years, as I moved to Minnesota (and disabled my FB account many years ago). She and I worked together for several years with the Fairfax Sheriff's Office. She was hilarious, smart, and always put together!
I was so saddened and shocked to hear from a mutual friend last week that she had passed away. Susan touched so many lives and I am grateful our journey's crossed paths.*
