“ *Susie will truly be missed. She Was Freddy's. I'll always know her as Gary and Reds. She was everyone's Mother. Susie took me under her wing when I first moved to the Beach. She taught me how to survive the locals and become one, being the girlie wimp I was in 1992. Now She Flies With The Angels With Our Buddy, Skip. I'm sure he was happy to greet her...My prayers are with her Children, Grandbabies & all the ones who will truly miss her. I'll never forget her. Many fun Times & Tons of Laughs to Remember. Thank You Susie. She was one of the Special Ones.What A Girl!. You Go Susie Q!.....ali##imported-begin##Ali Nash##imported-end##*

“ I am so sad. I moved from SC almost 5 years ago now after living in the Inlet for a number of years and working at Surfside Freddie's with Susie for a couple of those years. I was planning a visit to the area in a few weeks mid-Sept. and the one person I couldn't wait to see was Susie. When I think of Susie, these thoughts come to mind. Of course, her warm smile and greeting, with twinkles in her slightly squinted eyes. I remember how she always loved to decorate for all the holidays. She loved cooking for the "special" occasions for her customers such as birthday parties and also for the racing get-togethers. I knew her to call "regulars" at home to check on them if she had not seen or heard from them recently. She truly cared about "her" people. To Lisa and Robin. I know she loved you very much. I know this because she spoke of you almost daily with the voice of a Mother's love in her heart. You don't know me but I feel as though I know you from talking with your Mother. I know you will miss her greatly as well as the many people Susie touched including myself. She's still watching over you. Oh yes, and her "grandbabies". She couldn't have been any prouder! Goodness! The pride in her voice when she said "grandbabies"! I must say; Susie had me fired once, for a day...then got me re-hired she could do that, you know, to teach me a valuable lesson! But then, that was Susie's tough love. I needed it, learned from it and was better for it. Susie knew what she was doing! I also remember the day I first met Susie. She and Red Snapper came to another establishment I bartended at and were having such a good time embarrassing me. They ended up dancing on my bar in their swimsuits! Susie, the pro she was, loved getting this newbie bartended flustered. They did. We were buddies from that moment on. Neither of us knew then we would work together and become close. I have just found out today of Susie's passing and I know my trip to the beach will just not be the same. I will miss my friend.##imported-begin##**Ralph Musselman**##imported-end##

“ I will miss Susie, she made me feel like part of the Surfside Freddie's family. She always had a hug and smile ready when I saw her. She loved her "grandbabies" and she would always ask me about my grandbaby. Susie was Susie, that's why I loved her and I will miss her. I'm sorry for the loss of your Mother, Sister and Grandmother. She will always be close to us all.##imported-begin##Jean Barrow##imported-end##
