“ I was so very sorry to learn of your mother's passing after my parents saw your Dad in Essex two days ago. I remember how she always had a smile on her face and was always so welcoming to me when I came to hang out at your house after school before dance class. She created such a beautiful and loving family. My thoughts and prayers are with you and your family during this difficult time. I've tried to locate you on the web, Judy and I'd love to get back in touch with you. Please feel free to contact me when the time is right.

I was very sorry to hear about your wife, Suzanne, passing away. I know that words alone can't begin to comfort you at this time.

But may it be a comfort to know that there is a loving God watching over you and your family and throughout this time of need, He will stay close by everyone's side.

“ Bill & Cheryl,

Our deepest sympathy to you and your family on the passing of your Mom. We feel your loss, as we lost my (Linda's) dad on June 14th in Surfside Beach, SC on 6/14. We also used Goldfinch Beach and found them to be very professional. We hope you and your family will find peace in all the wonderful memories you shared with your mom. Love to you all.

*Dear Jim and Family,
Although we have known for a long time that our treasured friend would be taken from us before her rightful time, we are still overwhelmed with sorrow. Sue will be missed every remaining day of our lives and we will never quite be the same without the love and kindness Sue bestowed on us the past 50 years. We will cherish the memory of all the dinners, cards and other events organized by "The Social Director" and will do our best to carry on in a small part Sue's social calendar. We wish we could be there with all of you but please know that our thoughts and prayers are with you and family at this sorrowful time. May God Bless Sue and all of you. Death leaves a heartache no one can heal, Love leaves a memory no one can steal.

“ Jim, I learned of Sue's passing a few hours ago. My condolences to you and to your entire family. I hope you are doing all right. I have vivid memories of Sue from when I first met her when we were in kindergarten. She was just a beautiful person in all respects. I did not appreciate until I was mature and aging just what a positive impact she has made in my life throughout our growing and development years both in and out of school and this only continued throughout our lifetime. You certainly married a most wonderful person. I've always remembered Sue and my close friends in my prayers and this will continue going forward. Please take care.
