“ I loved Mrs.Zwick. She always had a smile when I would visit. I loved to listen to her stories about her family, and all the wonderful times they would share together.
I would always try to do things for her, and she would quietly and graciously say, no. You’ve done so much for me already. One of my best memories of her was a couple of milkshakes we shared together one afternoon. She was looking so forward to her kids coming this month, she would just rub her hands together, and smile the brightest smile. They say that funerals and memorials are for the living. That is true. If there is anything that I truly know, SHE is in HEAVEN.
And she sure is truly missed down here.

“ We were saddened to read of Sue's death. I still refer to their house as the "Zwick house", even though at least 4 other families have lived there. We have such sweet memories of your family being our neighbors, and of the gatherings we had when this subdivision was just getting started. When I think of your mother, I remember her as having a soft, sweet-sounding voice, always uplifting comments, proud of her family. Your family will be in our prayers in the days to come.

Sincerely,
Dick and Dorothy Beam

I first met Suzanne at the doors of CFCC. We were greeters at the Kid Scape doors. Suzanne was always with a smile and a story about her family! We had soo many laughs together. Suzanne told me on several occasions how she loved looking at my green eyes because they reminded her of her husband. She soo loved her husband and missed him! I will surely miss her and now she is welcomed home by her loving husband. Reunited in the Kingdom!
