“ Sylvan and I meet at Conway High School as we attended. My sister informed me of his passing. From our high school days Sylvan was always regarded as a good guy! My sister and he were classmates...a few years older yet, none of that mattered to Sylvan. He always took people at face value.

“ Sylvan was always the same everyday. Smiling, laughing and helping out any way he could. I've never seen him in less than a great mood. Being around him always made you smile. He could bring you out of a bad mood and have you laughing in just moments. We will miss you deeply. Our hearts and prayers go out to his family.
