“ Sylvia was a CHS classmate of mine, Class of 1947. In later years we worked together planning class reunions. Not only was she always beautiful but was also a dear, sweet lady and friend. We will always miss her, but her loving spirit will continue to be with us. My condolences to all her family.

“ *Saddened to read of the death of Sylvia. She and Billy welcomed us with open arms to First United Methodist Church starting in 1996. There was never a time when she did not have a smile to share and warm conversation. She was such a beautiful lady with a loving and giving soul, kind words to share. She will always shine on you from above. May our Loving Lord provide each of the family with comfort and peace. God Bless. Jan Gawith*

“ This is going to be hard walking into work without seeing you there. Ms. Sylvia aka toots (as I called her) was most definitely one of a kind. She always had a smile on her face. Even on her worse of days, she always asked how I was doing and how my family was. There's not enough time in the day to tell you the stories we shared together over the 3 1/2 years. She was very dear to me. She always knew the days I worked and often she'll asked for a biscuit from Bojangles. Of course I always said yes. When everyone shut down I would FaceTime her family so she could see them. And the smile on her face was always worth it. She loved her children and grandchildren. It very much showed through her. Sylvia you can now Rest In Peace and walk on those new legs you so deeply deserve. You will always have a place in my heart. I love you toots.
