“ Growing up, I always thought Ms. Sylvia was a pretty lady. She and Mr. Dennie were always a nice looking couple. Ms. Sylvia may have even worked with my mom at the old Aerovox many years ago. And I've never forgotten that Denise is one day older than I am. As I read in her obituary, it won't be too long before all of us will be together again one day, forever. May the good Lord hold you close during this lonely time while we wait for our time to go home. Love you all.
