“ Chippendale, we can not believe that you're gone. You tried so hard to find out what was wrong with you. The doctors wouldn't believe you until it was too late. We know that you struggled in the last days. We know there's a time to be born and a time to die. You were a very good friend to us. You had the most beautiful voice. Your love for your church family will be sorely missed. Until we meet again our good and faithful servant.

I will always remember Chip's dedication to the youth at church (and yours to Trisha). Whether it was stirring up big pots of food in the fellowship hall or stirring big pots of food on a youth trip, he always seemed to enjoy every minute of it. Our thoughts and prayers are with you all. May God comfort you all during this difficult time. Love, Kim & Rusty Lewis*

Chip and I were fellow brothers in Christ and good friends. Chip and I loved to talk about fishing and family. Chip and I went through the good and bad times always careful to show that we cared about each other. Chip had a beautiful voice. I will miss my friend, Chip. My God continue to be with this family during this time of bearvremment and loss.
