August 31, 2005 at 12:00 AM

“ I read of your loss and want to express my deepest sympathy. DEATH is an enemy and its sting is powerful, because we have a built-in desire to live and enjoy life with our family and friends. When we lose our loved one, for whatever reasons we may believe, it is distressing, because we miss them very much. At these times, we need encouragement and hope so that we can cope with our lost. For that reason, we can be encouraged by reflecting on the promises that God has given us thru his word the Bible, concerning the resurrection hope of seeing our loved ones again. John 11:11-44, John 5:21, 28, 29 and Revelation 21:3, 4. God?s promises helps us to confidently look to the future when God, the Giver of life, will bury death forever. What a blessing it will be when we can rightly ask: ?Death, where is your victory? Death, where is your sting?? -1 Corinthians 15:55. I hope that you find comfort in reading these scriptures. And my prayers are with your family.##imported-begin##Karen Cross##imported-end##
