Tay I really hope you're doing okay, I worry about you and pray to God that you'll let me try to be a part of your life when I am freed. Please don't think i have been gone so long by choice, I regret so much and wish things could've been different but God has his own plan for our lives that we can't control.. I'd trade places with your mama if it was possible. I know I'm late but I'm here and I won't take our lives for granted again I can assure you that.. I can't wait to see you, I love you!!!!!!!!!!!! ----Tammy I hope your watching over our Angel and watching her grow into a BEAUTIFUL young lady. I still think of you often and miss you like crazy.... I love you til my dying day!!!!
