“ Robin, Ricky, Dean, Cody and the rest of the family, I am so sorry and sad to hear about Tammy's passing. She was so much fun to be around and made me laugh no matter how bad I was feeling. She brought happiness and laughter everywhere she went. Unfortunately I had not seen her in about 10 yrs. But she was still crazy as ever! One very funny memory I have happened around Easter when she was pregnant with Cody. I came over to her apartment one day to visit and eat and watch soap operas and of course laugh!! When I first arrived she showed me this beautiful hollow chocolate Easter bunny that somebody gave her. It was huge and in a decorative box with a window where you could see it. She placed it on top of the TV after showing it to me. Well a couple of hours went by fast because we were having so much fun, then all of a sudden she shouted out "Where is my chocolate Easter bunny?????" I looked at the box and it was not in it! We were so bewildered because nobody had been there but us! Well I got up and walked over to the box on top of the TV and I saw it!! The heat from the TV had melted it into a pool of chocolate and the candy eye was laying on top!! I said "I found it!". I then took it over to her and we started laughing and couldn't stop. I think we laughed the rest of the day while we ate the melted bunny! Hahaha! It was a wonderful day and I will never forget it or her. I love you Tammy RIP sweet girl❤️
