“ I was so sad to hear about Tamy's passing. I had the honor to meet her at Verizon/Durham, NC where she came up to train me one day. During this time, I got to know Tamy and what a wonderful person she was. She showed me pictures of her beautiful daughters and how proud she was of them. My heart goes out to her daughters and husband. I know she will be missed but hold on to your memories. sure she will be missed.##imported-begin##Anita Harward##imported-end##

“ So sorry to hear of the passing of Tamy. She was a wonderful lady and her work for GTE-Verizon was the absolute finest. She did a "ride a day" with me a while back and we shared many laughs and she offered great insight and inspiration to me in my job as a customer zone tech. If there was a problem with a customer issue she would stay on top of it, keeping the tech. and the customer advised until the problem was resolved. First-class lady.##imported-begin##Jim Martin##imported-end##

“ McFall Family, I'm so sorry for your loss but your mom/wife was a great woman that will always be in your hearts. She was always so nice and everytime I saw her, she was smiling. She was always there for her daughters whether it was mock trial, or a track meet, she was always there. She was a wonderful woman who will be missed. But she left behind some amazing girls. Again, I am so sorry for your loss. ~Sydney Bazen and Family##imported-begin##Sydney Bazen##imported-end##

“ I was so saddened to read of Tamy's passing this afternoon. I too worked with Tamy at GTE/Verizon in the Facility department there. She was always ready and willing when I need her help in accomplishing a work task. She was always so nice to me. I will always hold very dear memories of Tamy in my heart. My heart goes out to her family for I know that she will be sorely missed. As long as we hold her memory dear so yet shall she live on.

“ Tamy worked with my parents for many years at GTE/Verizon. While I have only vague memories of my early childhood spent at the office, I know how much her co-workers thought of her, including my mom and dad. “ As I sit here trying to think of words that comforted me when my mother passed nothing specific comes to mind. What I do want you girls to know is that you were her life and she has raised strong and independent young ladies. She is so proud of each one of you. Things will never be the same but they will be better than they are today. Hold on to your Dad he needs you girls now more than ever and know if I can ever do anything for you I'll be there. Rick you know I love you like my brother and when you need me let me know....We love you##imported-begin##Mike, Wendy and Audra Naramore##imported-end##
