“ I have so many memories of Tara; we were very close friends in high school and recently reconnected. I am just learning of her passing. Melissa, I am so sorry. Although, Colby doesn't remember me, your Moma sure loved you and was so proud of you. She will forever hold a special place in my heart. I love you Tara. Rest in peace my friend. Wendy Sanders

“ *It cracked us up how so many people confused one of us for the other or they'd ask if we were related. Her friends would be having a whole conversation with me before realizing they were talking to the wrong one. Haha! Made us laugh every single time. She was my work "sissy" and I'm going to miss her very much! My prayers and condolences to all of her family and friends.*
