“ My deepest sympathy is with the Mckinney family. During these times it is especially important to draw close to the almighty God in prayer, for the Bible promises that "he himself will sustain you."- Psalms 55:22. It is always hard when we lose a loved one because we miss them so dearly. That is why it is so encouraging when we read of God's wonderful promise in the Bible. When Jesus resurrected Lazarus he said at John 5:28,29: "Do not marvel at this for the time is coming when all those in the memorial tombs will hear his voice and come out," I hope that you find comfort in reading these scriptures. John 11:11-44, John 5:21, 28, 29, Acts 24:15 and Revelation 21:3, 4. My prayers are with your family.##imported-begin##Elijah Salim##imported-end##

“ Dana, I just spoke to Janai and she told me about Taylor; I'm so sorry. I can't imagine going through what you have been through. I'm sure you have a huge support system but if I can help in any way please call me 864-375-0396. Everyone has such beautiful things to say about her I wish we could have met. I ran across pictures from Chelsea's Barney birthday party the other day, they made me smile. We'll be thinking and praying for you and your family. “ I miss my friend so much but I am comforted by the memories that we have made over the past three years. I have nothing but happiness when I think of Tater Tot and our friends at camp. I will always have a special place in my heart for such an amazing little girl who came into my life wearing a yellow rain coat. I am so thankful for the opportunity to love Taylor and her family. Thank you for sharing your incredible daughter with me. I know God puts people in your life for a reason and for Him to choose me to be with Taylor shows me that God is good!! Love, Ms. Linda p.s. “ I only think it right to thank God for having shared Taylor with us. On Friday 9/30/05 I was wandering around MUSC with a smiling flower looking for Tot's room. I stopped a woman in the hallway and explained that I was looking for my friend who was just on the 4th floor yesterday and had been moved to the 8th floor today. She gave me a funny look and a long set of directions. In response to my puzzled face she replied "you are in the children's hospital". I had never thought it odd to call Taylor my friend even though she was only ten years old. I was introduced to Taylor at Camp Happy Days but Taylor was much more than a camper. Out of all the girls, Taylor was the one that would in many instances straighten Ms.Linda, Ms.Melissa and I out. I finally made it to her room that day, wrapped the smiling flower around her bed and was blessed with her beautiful smile. I will cherish her smile along with all of the wonderful memories I have and look forward to the day we share time together again. I love you Tater Tot, Ms. Harmony###imported-begin##Harmony Edelman###imported-end##

“ For Taylor's Family, My heart sinks as I contemplate you having lost this child to death. Disease is so ruthless and causes so much pain physically and emotionally. Marilyn and I understand this pain but can't say we know what you are going through, however we can offer encouragement, support, love and prayers. Please allow us to leave this portion of meaningful Scripture with you all: Jesus said, "Let the little children come to Me, and do not forbbid them; for of such is the kingdom of heaven." Matthew 19:14 May God's peace which passes all understanding be with you all. Love, John & Marilyn Ballard###imported-begin##John & Marilyn Ballard###imported-end##

“ Oh, how I already miss Tater Tot so much. The girl brought so many smiles to my face at camp and in the hospital. It would make my day to spend time with Tay-Tay, Mr. Tot, Ms. Tot, Ms. Linda & Ms. Harmony in 7-B. I will never forget Taylor's smile, her laugh and her compassion for others. I asked her on Friday 9/30 if she had been talking with God and praying, and she told me "YES"! It makes me feel at peace to know Taylor is with God, but I miss her so much.
