“ My sweet brother Teen. Wow. It's so hard to believe that both my brothers are gone...1st Jeff & now Teen. RIP Bros in Heaven. They really were awesome brothers even when they terrorized their pesty little sister...smiling...I used to spend a great deal of time and energy trying to get their attention. “ Teen was my best friend in our neighborhood on Dogwood Ave during our teenage years. I have many memories of those years. I had not seen Teen in about 30 years when he came by to see me in Charlotte a few years ago on his way to Florida. We had a couple of days to talk and laugh about the old days. I am so sorry for your loss. Teen and Jeff were good friends to me and I am sad that both are now gone. I am sure that one day I will see them in a better place. My condolences to Teens family.##imported-begin##Leonard Mills##imported-end##

“ Teen was my cousin and when I was a child he was always a part of our lives. I remember so many fun and crazy times with him. He was older than me, my brother and sister so was always the one to let us do things we weren't supposed to do and could talk his way out of anything! Teen was one of a kind and I can't believe his life here has ended. I'm grateful he was able to visit with us last year and we had one day to spend getting caught up. We will miss you and we love you.###imported-begin##Donna Little###imported-end##
