“ My thoughts and prayers go out to the entire family, especially Scott and Lara whom I worked with while at the TPC at Avenel. I had the privilege of knowing Terri for several years while the Kemper Open office was located in the clubhouse and I enjoyed her sense of humor and loving spirit. Terri often thought of others before herself and always had a positive attitude. In fact, anytime when I was feeling down, I would pop into her office and take a seat. Within seconds she would have me laughing and sharing silly stories. She will be dearly missed, especially her warm and infectious smile! I miss you, my sweet friend! Love and hugs...##imported-begin##Laura Bannister##imported-end##

“ No one could ask for a better friend than Terri. I was honored to have that privilege for the past 28 years, working with her for 19 at the Kemper Open. She would find the best in people and was always more concerned about the welfare of others. Dick and I were fortunate that we were friends with Terri and Darryl as couples and have memories of many great times over the years. We will miss her greatly and send our condolences to her family and other friends. She touched many lives.##imported-begin##Carolyn & Dick Corrigan##imported-end##

“ Theresa was a bright light to be around and she was serious when she needed to be . We all loved her in our own ways. Weather it was when we took Scott out on a night on the town or it came to the birth of our son. We were very blessed to have come down to Myrtle Beach last weekend and had dinner and breakfast with everyone at the table at home. Taylor loves his new found grandpa and will miss his new found grandma. We love you Daryl, Scott, Lara, Hailey and Morgan. Please know that you are in every passing moment and thought of the day. WE LOVE YOU!###imported-begin##Erik Shanks & Family##imported-end##
