“ Teresa is a very wonderful person who I will miss dearly. I was just getting to know her and enjoyed every moment of it. I loved her humor, her honesty, and her a matter of fact and upfront, where he had with her words.

She gave me a run for my money, which I don't have lol I wish there was more time on this earth that she could spend, and if I could take the pain of losing her away from her family and her loved ones I would do it in a heartbeat. that is my story and I'm sticking with it. May God bless her soul and I hope she is resting well now and out of pain.
