

Teresa Oliveras Alcivar

July 1, 1930 - May 14, 2021

In the afternoon of May 14, 2021, Teresa Oliveras Alcivar, original from Ecuador, South America and residing in Puerto Rico, passed away at the young age of 90, in Myrtle Beach, SC.

Teresa was born to Miguel and Maura Alcivar. Teresa came to the U.S.A. in 1975. She met her beloved husband from Puerto Rico in New York City.

Teresa was known for her charismatic way of loving. She showed her love with warm hugs and kisses to everyone that she came across and that love was reciprocal by those that she knew and met her. She was a very giving person, always looking to help others in need or no matter the circumstances.

Teresita, as she was well-known in a loving way, was witty, always ready to give an answer but full of wisdom. She was sometimes fisty and ready to defend others when injustice came around. She had a wonderful sense of humor, among everyone that came to know her. Teresita lived life to the fullest. She loved to go on cruises and traveling with her loving daughter. She would always be in contact by phone or getting together with her loving neighbors and friends in Puerto Rico, and of course she loved playing at the casinos in her spare time.

Teresa is preceded in death by her beloved husband Aldo Oliveras and her parents Miguel and Maura Alcivar. She is survived by her daughter Ana Zambrano, her grandchildren Edwin Christopher Mangual, Alexander D. Mangual, and Leo E. Ledesma, her great grandchildren Adriel, Charlotte, Javier, Leo, and London. Also leaving heartbroken are several other family

members and special friends.

A public memorial service will be held at 12:00pm on May 17, 2021 at the Goldfinch Funeral Home, 11528 Highway 17, Murrell Inlet, SC 29576.
