“ Saddened to hear of Faye's passing. Faye's mother (Florrie) and my mother (Elsie) were first cousins, daughters of sisters, Cornelia Parker Watson and Emma Parker Collins. My thoughts and prayers are with her sisters, Olga Verle, Nedra, and all of Faye's beloved nieces and nephews. Thinking of you all, wishing I could be there for her service tomorrow, especially fitting to be in the original TSBC sanctuary, where so many of her years were spent. Much love to you all. “ I have known Ms Faye most of my life and I always loved her, I was blessed to do her hair the last few years. I always looked forward to talking and laughing with her. And I loved the fact that she would tell it just like it was! There was nothing phony about her! She was a good woman and worked hard her whole life. She would share what ever food she had with you and it was always good. I spent alot of time with Teresa Causey growing up and I just loved to go over there with her to Ms. Fayes. She always had some kind of cake that she had made that was delicious! She was very blessed also with a wonderful family and lots of friends. Her sister Olga took such good care of her and promised her she would never go to a nursing home and she never did! My heart and prayers go out to Olga and Teresa and the rest of her family and friends who loved Ms. Faye. She is living it up in heaven with no pain whatsoever! I hope we will all be as happy as she is right now, one day.
