Tribute Wall

“ I was deeply saddened to learn of Terry's passing. She and I were close friends through at least Jr. High and High School and had many laughs and good times during those years. I had only been back in touch with her this past year thru emails. It was easy to tell that she was still the same wonderful person. My thoughts are with the family during these difficult times. There will be brighter days ahead.##imported-begin##Scott##imported-end##
